**Re: DELA CRUZ, Hugh Javier**  
Reg. No. 91937-022  
Docket No. 1:05CR00050-001

Dear Judge Mollway:

This is in response to the Court's recommendation that Hugh Javier Dela Cruz serve his term of confinement at either the Terminal Island facility in San Pedro, California, or a facility in Lompoc, California. The Court also recommended that he participate in the Residential Drug Abuse Program (RDAP). Mr. Dela Cruz was sentenced in your court to a 77-month term for Conspiracy to Distribute and Possession with Intent to Distribute 50 Kilograms or More of Methamphetamine.

Unfortunately, we were unable to follow all of the Court's recommendations. Mr. Dela Cruz has been classified as a low security level offender. The facilities recommended by the Court are currently experiencing population pressures. Accordingly, Mr. Dela Cruz has been designated to the low security level facility in Anthony, New Mexico. Staff there will encourage Mr. Dela Cruz to participate in the RDAP, if eligible, under the established program criteria.

Although we were unable to comply with all of the Court's recommendations, please be assured of our continued commitment to satisfy judicial recommendations whenever possible.

Sincerely,
